

African Internet Governance Forum 2017, Sharm El Sheikh- Egypt

The 6th African Internet Governance Forum 2017-AIGF was held on 4th – 6th December 2017 in Sharm El Sheikh, Egypt. The theme of the forum was Enabling an Inclusive Digital Transformation of Africa. The IGF facilitates a common understanding of how to maximize internet opportunities and address risks and challenges that arise. The forum was hosted by National Telecom Regulatory Authority of Egypt, AIGF Secretariat and the African Union Commission. Juliana Muchai, Head of Resource Mobilization and Projects Management was invited and sponsored by EIFL as a speaker on behalf of EIFL to share the success story of knls in adopting technologies to serve communities. The paper titled

Juliana Muchai (second right) together with co-speakers during the African Internet Governance Forum held at Sharm El Sheikh in Egypt. Juliana was the EIFL and knls representative in the forum

'Adoption of Technology for Delivery of Library Services' was delivered during a session on 'Public Libraries rise to the challenge to connect the next billion'. The aim of the session was to discuss practical examples of how libraries and librarians are contributing to helping achieve the objectives set by the UN SDGs and AU Agenda 2063.
