

## Project LEAP 2 Training of Trainers Workshop

Project LEAP 2 term ends in December 2017. As part of project sustainability, the Worldreader sponsored a TOT workshop for 33 participants. The aim was to equip participants with necessary skills to manage LEAP 2 project after 2017 upon donor's exit. The training modules included; trainer facilitation skills, outreach, M&E, Resource Mobilization, device management, Content addition and project management. Participants included all ICT officers and selected Librarians who will be expected to support the project at regional level. The 2-day workshop was held on 17<sup>th</sup> and 18<sup>th</sup> October 2017 at CORAT, Nairobi.
