

FOR IMMEDIATE RELEASE:

First 'state of the art' Library in the Maa region

Narok Town, Narok County – 11th September 2013 – Residents of the Narok County empowered through the establishment of an information and knowledge resource centre – knls Narok Library.

The official opening of the newly established Narok Library will be taking place on **Wednesday 11th September 2013 at 10:00am** within the Narok Library compound. The event will be officiated by the Cabinet Secretary, Ministry of Sports, Culture and the Arts, Dr. Hassan Wario Arero, Ph.D. this library has been established at an estimate cost of 50Million which includes construction and equipping of the information resource centre. It is anticipated that its establishment will go a long way in empowering the Maa community within the region

Kenya National Library Service (knls) is an **ISO 9001-2008** certified corporate body of the Kenya government that was established to provide library and information services to the Kenyan public. Its mandate is to develop, promote, establish and equip libraries in Kenya. So far, knls has established 60 branches which are spread in different regions in the country. Knls provides a wide range of library and information services to people of all walks from life. Availing accessible library and information services to the citizens, opens up for them windows to the world and inspires them to explore and achieve, and contribute to improving their quality of life. Information is principally essential for social- economic development and proper political governance, especially in today's knowledge driven economy.
