PREFACE

The principle objective of the current *Kenya National Bibliography (KNB)* is to record comprehensive and accurately the bibliographic data of all the books, research reports, conference proceedings, pamphlets, maps, current serial titles (including annual reports, yearbooks, biennials, etc) on first appearance and subsequent name/title changes, selected audio-visual and other non-print materials etc., published in Kenya. Foreign publications of interest to Kenya, by subject or otherwise and foreign. Asterisk (*) appear against all foreign imprint materials in the main Classified Subject Sequence. Brochures, routine government publications (parliamentary bills, amendments of bills, parliamentary debates, individual acts, etc.) programmes, advertising matter/trade literature, and other ephemeral are omitted sine they are not included in the Act.

Publications produced locally by international intergovernmental and private organisations (United Nations environment programme, International Livestock Research Institute, United Nations Centre for Human Settlements, etc.) based in Kenya are not Included in the KNB, except for materials by these agencies with significant Kenyan subject contents. However, all publications with Kenyan imprint emanating from regional organisations (African Development Bank, East African wildlife society, African Medical Research Foundation etc.) based in Kenya are included in the Bibliography.

Works published in 1979 and before constitute materials for the retrospective KNB. Publications missed in either the current or the retrospective KNB are recorded in the subsequent edition.

Only new serial titles and name/title changes or current periodicals are included in the KNB. *Kenya Periodicals Directory (KPD)*, a sister publication of KNB lists titles of current serials and periodical cessation's in two separate classified subject sequences.

Bibliographic data used in the compilation of the KNB is based on the Legal Deposit publications received at the Kenyan National Library Services under the books and Newspapers Act-Miscellaneous Amendments No. 22 of 1987. Government publications and other items acquired by KNLS through purchase, exchange or as donations/gifts for the Kenyana collection, also supplement the legal deposit materials in the compilation of the KNB.
